

Pine Brook Camp

Scholarship Information and Qualifications

Who is eligible for a scholarship?

Anyone who is in need of financial help for their children to attend the Pine Brook Camp Program. Scholarships are given on a first come first serve basis.

How many scholarships are given annually?

The number of scholarships varies each year depending on the amount of donations that are made designated for scholarships.

What is the limit of scholarships per household?

Because of the limited amount of scholarships, one scholarship will be given per family. We want to help as many families as we can.

How much is each scholarship?

Scholarship amount varies based on need and available funds. Families are responsible for the deposit and the balance of camp minus the scholarship. Store money must be provided by the family and is not considered part of the camper fee or scholarship.

How does a family apply for a scholarship?

Each family must submit a scholarship application. Scholarships will NOT be given out on registration day.

What if all the scholarships have been used up?

You may request to be put on a waiting list. If additional money is given and we are able to offer additional scholarships we will contact those on the list from first to last.

NOTES:

Scholarships will not be given for children to come multiple weeks

We would be happy to work with any family to set up a payment plan so families can make payments throughout the year in order to ease the financial burden.
