

SWING FOR HOPE

— Pine Brook Camp —

Pine Brook Camp doesn't turn any camper away from an experience of summer camp, regardless of ability to pay. That is why we are raising funds to provide scholarships for teens and children throughout New England. Camp takes place in a beautiful natural setting and offers students the opportunity to socialize with friends, learn about nature, enjoy the outdoors and receive valuable character education. It's a place that fosters healthy relationships with peers and adults that will last a lifetime!
